The library has a new Youth Services Librarian and she is ready to run some awesome programs for everyone. Miss Corinne will be in charge of any STEM or STEAM programs for children and teens, and is bringing back classic programs such as Thinkers and Tinkers and Tiny Tinkers. She is also resuming our Anime Club for tweens and teens via Crunchyroll. If you have any ideas or requests for anime, manga or teen graphic novels, be sure to mention them at one of our monthly club meetings.
