## Summer Reading Raffles and Prizes

July 1st-August 12th

There are so many cool prizes for this year's summer reading program, but you have to be in it to win it. Depending on your child's age, they will keep track of minutes read using our Time Log or complete activities in our "Peace Pals" program, for ages 0-3 years old. Both logs can be picked up in the Children's Room! Try to hand your logs in once a week, in order to receive a raffle ticket for one of our many different prizes. For our 4-11 year old program, they will also receive a weekly scratch off and a bead for their brag tag necklace.

**The Final Goal:** Readers who complete their reading log (*10 hours*) each week, will have read at least *60 hours* this summer and completed the reading program. Anyone who is able to do so will receive a special certificate and an additional raffle entry for one last chance to win.

Teens can earn raffle tickets each time they read this summer, by filling out one of our teen book reviews. The more books they read, the more chances to win!

# 2023 All Together Now Summer Charity Projects

## Laundry Detergent Collection

Until August 12th

The Weekend Bag Program Inc. is a kid founded and run 501(c)3 nonprofit created to provide students going home from school over the weekend with food and hygiene they otherwise wouldn't have.

This summer, we are collecting laundry detergent for this amazing organization. Please bring your donations to the Children's Room!

## Sneaker Collection

Until August 12th

Take A Step Towards Making A Difference! This summer the library is working with [gotsneakers?](#) to collect old or gently used sneakers. All sneakers will be resold or recycled, and money earned will go to a wildlife charity, chosen by your vote.

Help us make a difference and help the earth by donating your old or unneeded sneakers! Sneaker collection and voting will be at the library, by the entrance to the Children's Room.
